

Email Template for Your Whole Body

Thank you for your interest in spreading the word about Your Whole Body! The goal of this template is to make sharing Your Whole Body easier to do. Please feel free to edit liberally! Because there are multiple audiences for this book, I created a few subject headers. Please use the one that fits best or make your own!

You can find more ways to share Your Whole Body at arcticflowerpublishing.com/media-kit.

Thank you for your help!

It's an inclusive children's book about the body that **includes genitals!**

You can pre order through Kickstarter at yourwholebodybook.com starting April 27th!
You can learn more at arcticflowerpublishing.com/books.

Thanks!

Long

Hi!

I wanted to let you know about an upcoming book I thought you'd be interested in! 'Your Whole Body: From Your Head to Your Toes and Everything in Between!'

It's a kid's book about the body that **includes genitals!** Teaching children the proper names of their genitals is an essential body safety skill. However, parents are often uncomfortable doing so. This book will help parents say and teach these important words to their kids!

'Your Whole Body' is:

- **Complete:** it explains, illustrates, and labels all the major body parts including genitals.
- **Diverse and inclusive:** the text and illustrations describe and show different appearances and abilities. Additionally, the text does not use gender pronouns when describing genitals.
- **Accurate and age appropriate:** experts including pediatricians, child safety experts, gender specialists, and preschool teachers, were consulted for this book.

You can pre order through Kickstarter at yourwholebodybook.com starting April 27th!

You can learn more at arcticflowerpublishing.com/books.

Thank you!
